

Sell your carpet to us

Offer your carpet to us for sale

We offer you the possibility to offer us your rug or carpet (one or more) for sale. In order to be process your request efficiently, we ask you to proceed as follows:

Photos are a must

Please **always send us your photos first.** We will gladly contact you after receiving them by phone and / or email.

We always look at all photos together within our designated buying team. In this first step, we cannot enable any home visits or appointments in the showroom.

Useful pointers to know for us

- **A Description** of the carpet (if you know it)
- **Dimensions** length and width in centimetres (without fringes)
- **A photo from the front and back of your rug or carpet**
- Any defected areas, possible damages (if applicable)
- Receipts and invoices (if you have any)
- **Your offer** (the price you would like to sell for)

In general we are interested in all rugs and carpet, as long as they are hand-knotted and in an acceptable condition (and therefore saleable for us).

Instructions

1. **Send us your photos** as described above either by using the contact form or directly by email (max. 5 MB per email)
2. Please mention if you want to buy a new carpet from us and wish just a direct payment
3. We look at all emails and pictures and will most certainly answer each email personally.
4. If necessary, we will contact you for an appointment to see the rug (add your phone number)

You can send us your photos directly to us by email (please do not send emails via 5MB):

ankauf@teppichportal.ch

For customs reasons, we can only consider offers from Switzerland and Liechtenstein at the moment.

Taking a photograph

Here an example of a good photograph for us (don't forget the back side!)

We look forward to receiving your photos!
